

LyPinn

Your 3 km neighborhood,
in real time.

What is LyPinn?

Hyper-local

Cards & messages live only within 3 km of where they were dropped — a 15-min walk around you.

Anonymous

Real names, phone numbers and identity are never required. Privacy by default.

Time-bound

Content auto-expires. No permanent feed, no trail — just the moments that matter, where they matter.

Meet GNote

Location-locked messages that open only when you arrive.

Free · Anonymous · Hyperlocal

lypinn.com

1. Create

Write up to 140 chars. Pin a spot on the map. Set a small unlock radius (e.g. 40 m).

9:41

New GNote

"Happy 30th, love.
Open at our coffee
spot."

94 / 140 chars

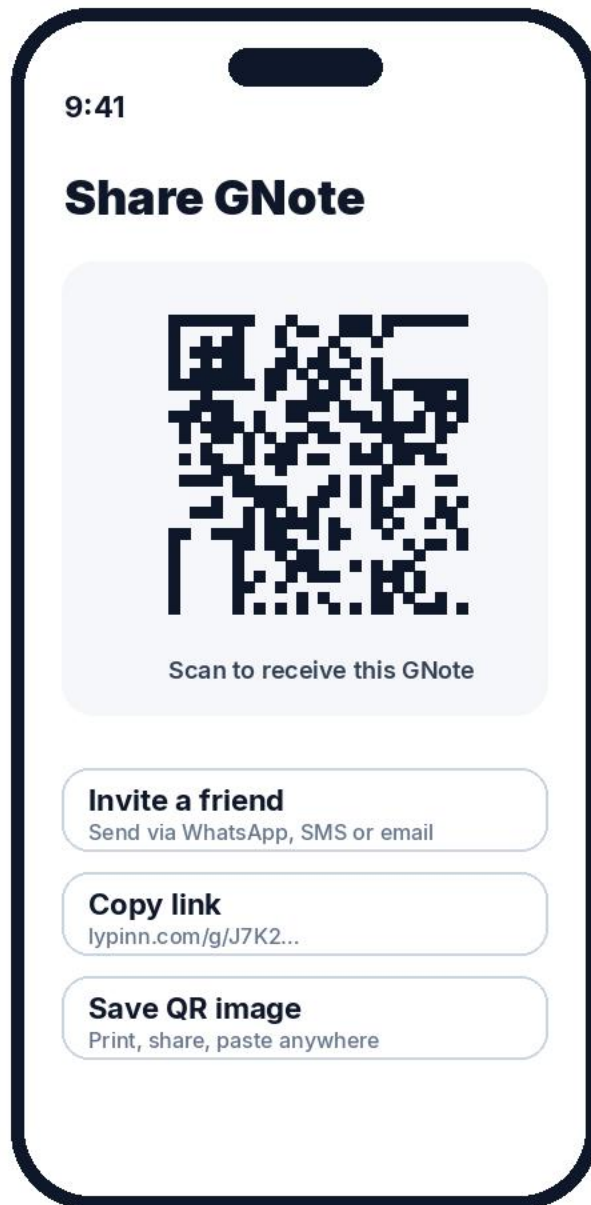

Unlock zone: Cafe Lumiere
Radius 40 m

Pin & share GNote

2. Share

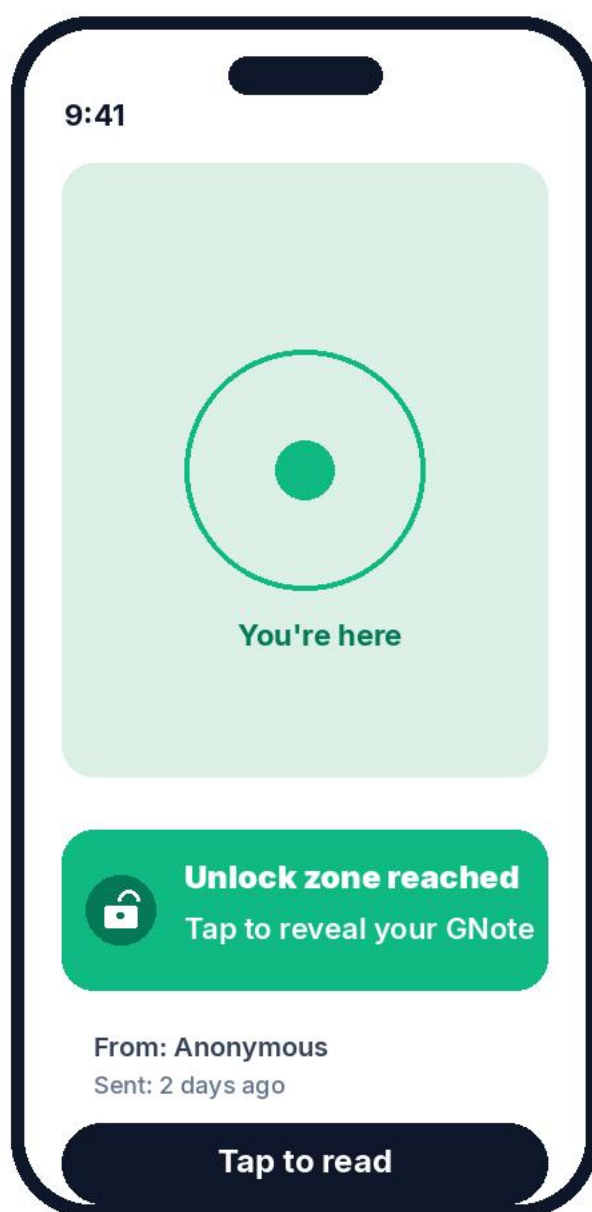

Send the GNote as a QR, invite link or message. The recipient doesn't need to be on LyPinn yet — they'll be guided through onboarding.

3. Open

Walk to the spot. LyPinn unlocks the GNote the moment you're inside the radius — tap to read.

GNote • personal

Birthday surprise

Pin a love note to your partner's favourite coffee spot. They open it **ONLY** when they're there.

Strava route reveal

Hide a running playlist or route map. Friend unlocks it at the trailhead — surprise drop.

Secret code at the venue

Share an event door code that decrypts when the guest reaches the venue entrance.

Tamper-proof delivery

For 2-tier couriers without an app. The consumer scans the courier's GNote QR on arrival. They get a 1-time OTP — only then is the parcel marked delivered.
